HUSKY HOCKEY

St. Cloud State Hockey's CENTER ICE CLUB

The Center Ice Club (CIC) is the official hockey booster organization for the St. Cloud State University Huskies and is a 501 (c) (3) non-profit corporation.

The purpose of the Center Ice Club is to provide the SCSU men's and women's hockey programs with financial contributions and moral support, and to provide camaraderie and a social setting for its members. Since 1986, the CIC has donated over \$250,000 to SCSU hockey.

In addition to scholarships, the CIC provides funds for other tangible program needs such as weight room and locker room equipment, computer equipment, furniture and equipment room appliances. The CIC also sponsors the annual golf tournament, beginning-of-the-season event, parents dinners, and end-of-season banquets.

Benefits to CIC members include an informative website, social events, NHC hospitality room, custom clothing and merchandise, and away game trip planning/CIC-sponsored travel packages.

The Center Ice Club holds an annual business meeting at which time officers and board members are elected. Officers include a president, treasurer and secretary. Volunteers are vital to the organization. All CIC members are invited and encouraged to become involved.
